SUBMISSION OF POWER OF ATTORNEY

Enclosed is a power of attorney by assignee for this patent application.

It is noted that the filing date apparently accorded this application is February 28, 2004, a Saturday. This is the date the Express Mail package was actually accepted by the post office, but is not a day when the Patent and Trademark Office was open for business. Should the filing date actually be Monday, March 1?

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Thomas M. Freiburger', written over the printed name.

Date: March 15, 2004

**POWER OF ATTORNEY BY ASSIGNEE**

Xoft microTube, Inc., the assignee of all interest in the patent application filed herewith, MINIATURE X-RAY TUBE COOLING SYSTEM, hereby appoints

Thomas M. Freiburger  
Registration No. 27,063

as its attorney to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, said appointment to be the exclusion of the inventor and his attorney in accordance with the provisions of 37 CFR Section 3.73(b).

Documentary evidence of chain of title of the invention and application is in the form of an executed assignment from the inventor to the assignee identified below, a copy of which is included herewith and which has been submitted for recording in the Patent and Trademark Office.

As the assignee of all interest, I have reviewed the enclosed assignment and I certify that, to the best of my knowledge and belief, title to the invention and patent application is in the assignee as listed below.

Please direct all communications relative to said application to the following correspondence address:
